AUTHORITY

CBFWA Presentation To Hood Canal Coordinating Council

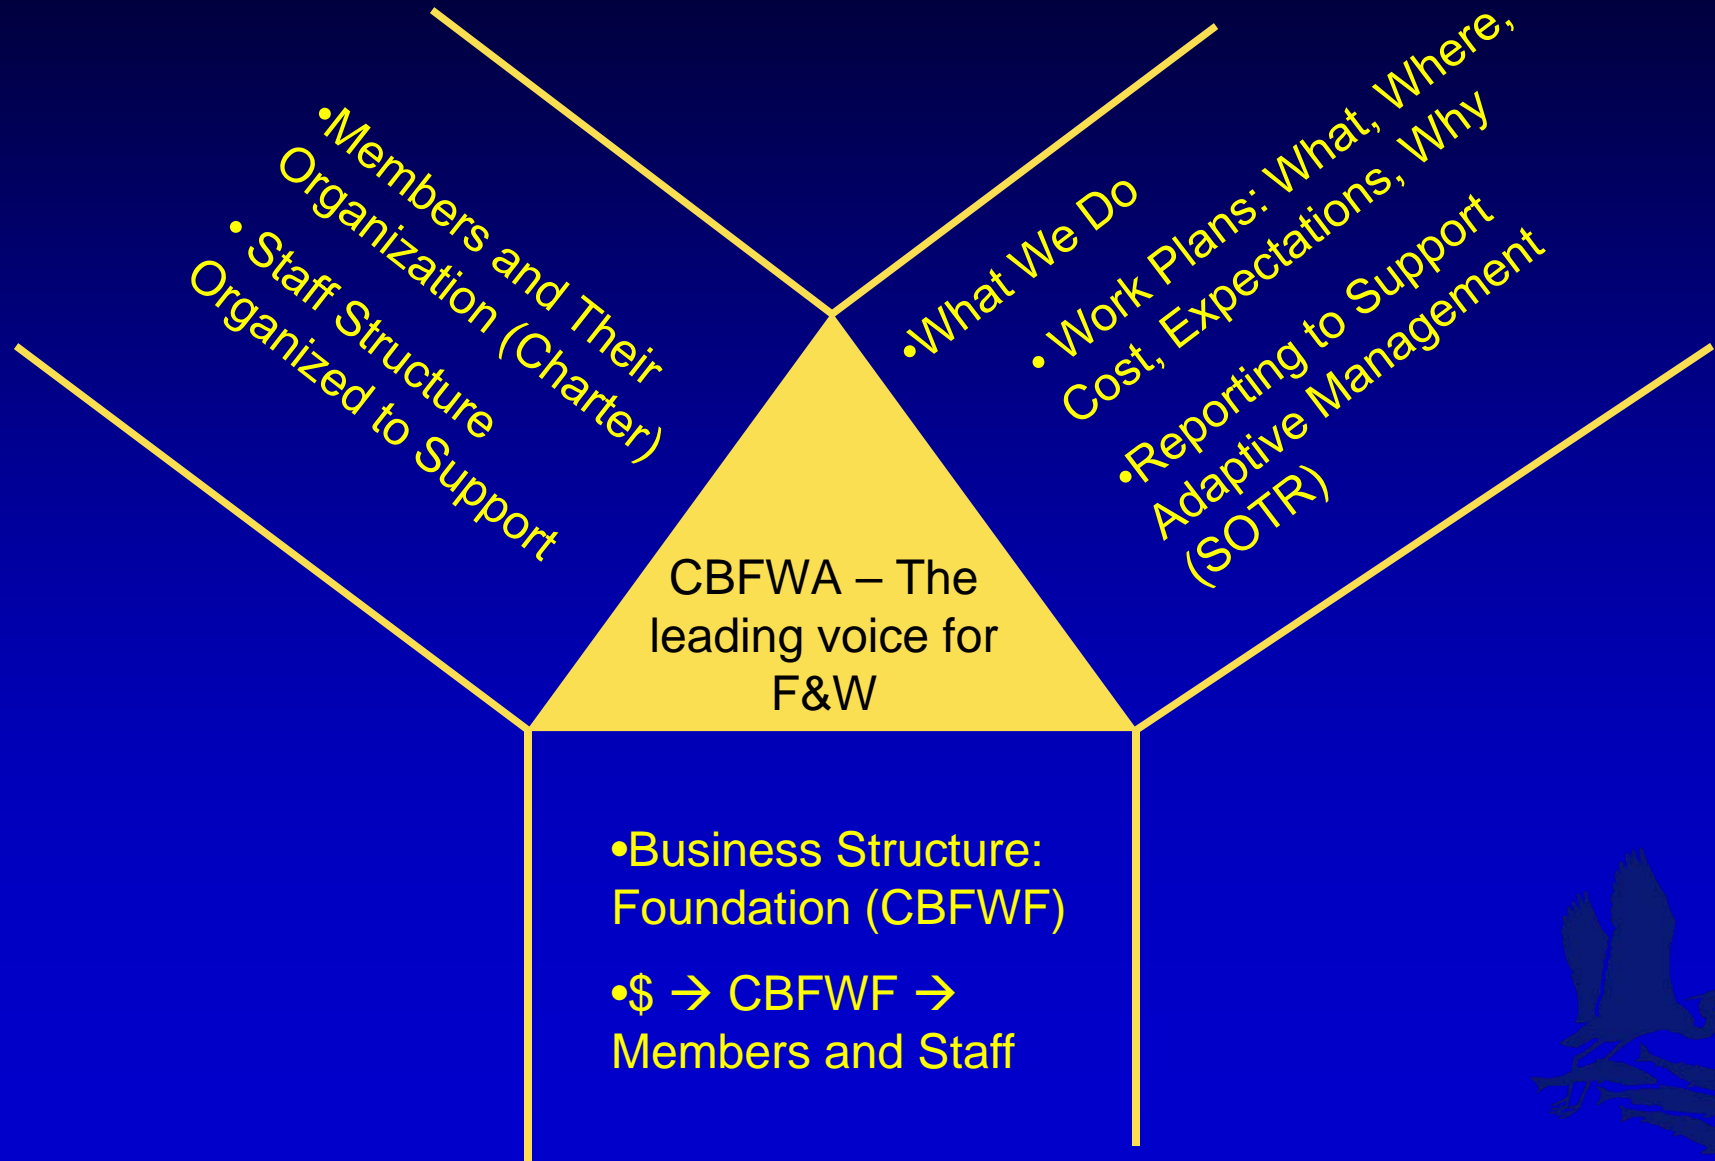

November 6, 2009

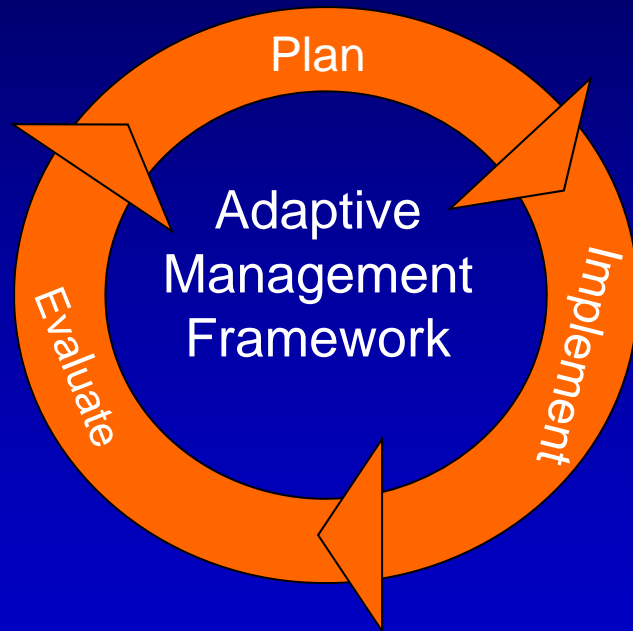

The Columbia Basin Fish and Wildlife Authority (CBFWA)

CBFWA – Three Aspects

Coordination in the AM Cycle

Plan

- What needs to be in the Plan
- What will it take to implement the Plan

Implement

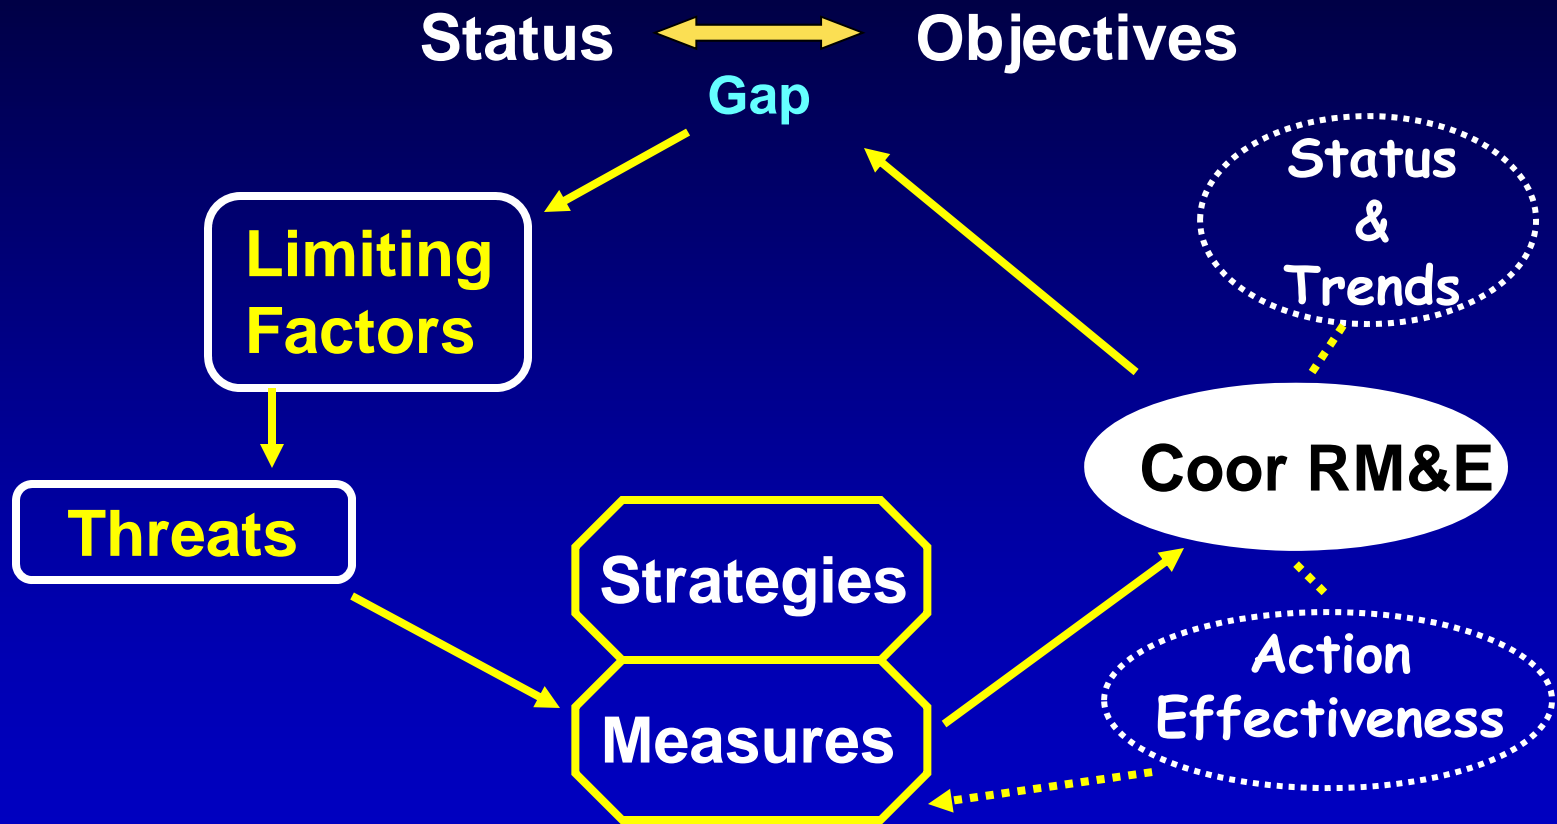

- Is there essential coordination that needs to be done to implement?

Evaluate

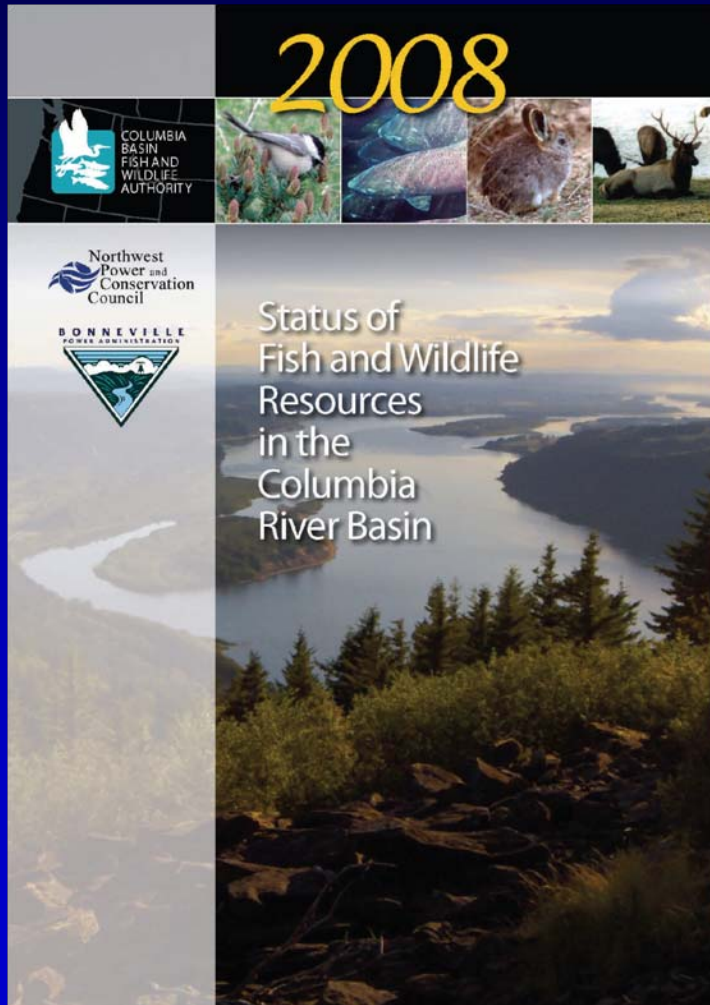

- Reporting to assure evaluation occurs?
- How are we going to evaluate success?
- Who is going to evaluate success?

Practical Applying of AM

Reporting Fish and Wildlife Status
